MOTION TO DISMISS COMPLAINT

William Scott Hanson, Defendant Pro Se in the above-titled action, moves before this Court to have the instant complaint filed against him as noticed above dismissed, with prejudice, for the reasons enumerated in the accompanying Certification of Issues.

Defendant submits this motion not for any purpose of delay, but because the New Jersey Statutes cited by the attorney for the Plaintiff plainly show that this complaint is time-barred, and should no longer be permitted to go forward. Defendant has attached copies of the cited statutes for the Court's convenience.

Defendant requests this Court to take the necessary action to determine that the action is time-barred, and then so record.

Respectfully Submitted:
